### **Warm Puy Lentil Salad Instructions**

- o Heat a small saucepan and a frying pan on the hob on medium heat
- o Warm the lentils through in the saucepan for approximately 2 minutes (check that they are warmed not piping hot)
- o At the same time heat the roasted peppers in the frying pan (they are already cooked so just need heating). If you have a non-stick pan you don't need oil. If you don't use a very small amount of oil to prevent sticking (1/2tsp)
- o Plate up the lentils, spoon the Romesco sauce onto the side and garnish with the hot peppers and toasted almonds
